BOOK SYNOPSIS

EL LIBRO - "TRANSFORMA TU VIDA" (LIFE TRANSFORMATION) "TRANSFORMA TU VIDA" esta dedicado a cada persona en este hermoso universo, la cual esta buscando una manera simple, practica y efectiva de hacer una diferencia en su vida y - si desea - de transformarla completamente de manera tal de lograr todo su potencial y todos sus suenos. "Life Transformation" es, en terminos simples, una guia para el "Exito y la Felicidad." Pero en mas detalle, es un "Modelo de Vida" con bloques y pilares que puede ayudar a manejar cualquier cambio especifico en sus vidas, o que puede ayudar a "Transformar Tu Vida" completamente. El libro es una combinacion de pensamientos, reflexiones y experiencias vividas por JP. El enfoque adoptado por el autor es uno de usar teoria como fundamento o cimient - basado en estudios y expertos en varios temas, en asociacion con herramientas practicas y ejemplos, de modo de facilitar el entendimiento de los lectores para ayudarlos a aplicar y tener un impacto inmediato en sus vidas. Todo esto es con la intencion de ayudarlos a cambiar la llave clave para la creacion de cambio masivo y consistente: "HABITOS." "Vive para inspirar ... "Life Transformation" is, in simple terms, a guide to "Happiness & Success." In more detail, it is a "Life Model" with Building Blocks and Pillars that can help you manage the change you want in any specific part of your life, or can indeed help you "Transform your whole life," and maintain it that way! The book is the brainchild of the author and it was initially written only to include his thoughts, reflections and experiences lived by JP over his life to date, which subsequently translated into the life model he adopted and now teaches to others. The approach used by the author is one of theoretical foundation - based on studies and experts on the various subjects, combined with practical tools and examples, in order to make it easier for readers to understand how to apply them and make an immediate impact in their lives. All this is with the intention to help them change the ultimate key to creating massive and consistent change: HABITS!
